

Closter, N.J. Oct 28 - 75

Dear Sir: your card is recd. I  
have seen no California Hepaticae  
for the past 12 yrs. Have all that Bo-  
-lander collected up to 1866. Will

write out the descriptions of those with  
(about 35 species)  
pleasure, for you, will also add the  
other species which I have from the  
whole Rocky Mt. region & Pacific slope  
if desirable. Truly yrs. Austin
